

# Solutions by Garaventa Lift

**Model:** Elvoron LU/LA

**Project Name:**  
BMO Bank of Montreal

**Location:** Vancouver, B.C.

**Installation Date:** 2009

## **Description:**

This Elvoron LU/LA elevator serves two landings at this downtown bank. These installation photos show the most popular finish choices, Cloud Nebula laminate walls with black trim and brushed stainless steel metal fixtures.

This elevator is configured as a Type 1L, which is also the most popular cab layout.
