

Solutions by Garaventa Lift

Model: Genesis Enclosure

Project: Augustana College

Location: Sioux Falls, SD

Installation Date: 2013

Description:

The school needed to install a new wheelchair lift to provide access to the upper level of the bleachers. They also wanted to see if the lift could be supplied with custom graphics to honor a member of the football team who prematurely lost his life.

Garaventa Lift was able to supply the lift with the graphics applied to the panels.
