

Solutions by Garaventa Lift

Model: Genesis Enclosure

Project: Emmaus College

Location: Melbourne, Australia

Installation Date: 2010

Description:

This lift provides accessibility to the second floor lecture halls at this college. This Genesis Enclosure has clear plexiglas enclosure panels and a full height door at the upper landing.

This lift also features a plexiglas domed roof and a thermostatically-controlled ventilation system (dual fans) to ensure that the temperature inside of the lift does not get too hot.
