

# Solutions by Garaventa Lift

- Model:** Genesis Opal  
**Project Name:** Ford Elementary School  
**Location:** Richmond, California  
**Installation Date:** 2012  
**Description:** The Genesis Opal is perfect for low-rise applications in commercial buildings, such as access to stages in school auditoriums or places of worship. The use of Opal-style lifts is restricted in some areas. Check with your local Garaventa Lift representative for details.
