

Solutions by Garaventa Lift

Model: Home Elevator

Project Name: Showroom Demo

Location: Port Moody, B.C.

Installation Date: 2008

Description:

This home elevator features a cab gate with clear acrylic panels and raised panel cherry cab walls and ceiling, giving the elevator a rich, warm appearance.

The cab operating panel (C.O.P.) has a brushed finish on stainless steel. The trim rings around the ceiling lights feature a polished chrome finish.
